

INTERNATIONAL TRAINING SCHOOL

MUSEUMS & STEREOTYPES

MILAN / ITALY / OCTOBER 17/20 2019

s e c o n d e d i t i o n

Museums and Stereotypes is an international and independent training school aimed at exploring the complex relationship between museums and stereotypes. Involving international speakers and institutions, the course will encourage an in-depth debate on challenging museum topics, facilitating informal networking and professional learning, from basic to advanced level.
